REFLECTIONS ON JUNE 16 AND YOUTH MONTH – EMPOWERING THE LEADERS OF TOMORROW

As we bid farewell to the eventful month of June, we take a moment to reflect on the significance of June 16 and Youth Month. This month has been a remembrance, celebration, and a reaffirmation of our commitment to empower the youth.

YOUTH MONTH!!!

June 16 holds a special place in our hearts as South Africans as we honor the courageous youth who stood up for educational rights and sparked a wave of change in the country. Their sacrifices and unwavering spirit serve as poignant reminder of the power of youth and their potential to shape a better future.

At SASCE, we recognise the importance of nurturing and supporting our young learners. We believe in creating an inclusive educational environment that empowers students to unlock their full potential and become future leaders. Through co-operative education initiatives, collaboration, and mentorship, we strive to provide them with the tools they need to succeed.
